

STAMPING WITH SUNN STAMPIN'

Loyalty Reward Program

- You are responsible for tracking your own orders
- One customer per redemption sheet. Reward points are NOT transferable. All orders must be under your name.
- \$25 = 1 point
- 20 points are all you need to get a free stamp set
- For every online purchase of \$25 (before tax and shipping) you will receive 1 point.
- Points are accumulative, if you made an order of \$50 you will receive 2 points and so on.
- Separate orders may not be combined. For example, a \$59 order gets 2 points. The next order is \$49 it will equal 1 point (not 2)
- Points are valid on orders placed with Susanne Netz, Canadian Stampin' Up! Demonstrator
- When you receive 20 points you can choose a FREE stamp set of your choice (excluding hostess stamp sets) and I will send it to you ASAP

Exclusions to the Rewards program are as follows:

- Paper Pumpkin Subscriptions. I offer free tutorials instead.
- Online Card Classes (as they already have a FREE GIFT included)
- Shares: Paper, Embellishments or Suite Shares (as they already have a FREE GIFT included).
- BOGO Events
