## DIRECTIONS

1. Fold the score lines of the card and burnish well.
2. Adhere the strip of patterned paper (the dark one) to the top of the card.
3. Adhere the embossed paper to the card.
4. Stamp the sentiment on the stitched rectangle and adhere to the Garden Green mating card.
5. Adhere the 1-3/4" panel of patterned paper to the garden green panel. Adhere this panel to the top flap using dimensionals being mindful that the bottom is flush with the bottom of the card.
6. Adhere the matted sentiment panel to the matted patterned paper panel using dimensionals only on the right side.
7. Flip the card open and adhere the large panel of the patterned paper to the inside of the card.
8. Adhere the basic white cardstock to the bottom of the card.
9. Adhere the last strip of patterned paper to the shaded spruce card strip and then add it to the bottom of the card using dimensionals.
10. Apply 2 dots to the bottom of the sentiment card.
