DIRECTIONS

1. Fold the cardbase in half and burnish well.
2. Using the ink blending brush, softly and slowly brush the Lemon Lolly Ink on the middle portion of the cardbase.
3. Stamp the sentiment on the bottom of the card about $\frac{3}{4}$ " from the edge. Set aside.
4. Stamp the sweater & toque on the basic white cardstock.
5. Using blends markers, colour the images. The example is coloured from bottom to top as follows, Dark Fresh Freesia, Light Fresh Freesia, Pretty in Pink Dark, Pretty in Pink Light, Petal Pink Dark, Petal Pink Light, and finally Highland Heather for the wrist bands and the toque band.

TIPS for colouring. Use the brush tip...put down the dark colour in flicky flicks and then blend with the light colour with similar flicky flicks. Move back to the dark colour to get a better blend, and then back to the light. Move on to the next colour and follow the same routine. Use the bullet tip for the wrist bands and toque band and colour the diamonds of the sweater with the bullet tip of Dark Pretty in Pink.

6. Fussy cut the sweater and toque using paper snips.
7. Using the black stampin write marker – run it along the edge of the cut images so you don't see any white – this makes it look like you cut it out perfectly!
8. Adhere the sweater and toque to the card front using dimensionals.
9. Using Wink of Stella, add sparkles to the pom pom, the diamonds of the sweater and the wrist bands.
10. Add Frosted Iridescent Dots to the card.
